WORKERS

Workers and experts are available for hire but remember, they will not come cheap and will only be able to work for a limited time.

INSPECTORS & FINES

Inspectors will be on the lookout for those breaking the rules and will fine teams who do anything wrong (e.g. cheat, make a mess or noise, argue)

ADVICE

- Be careful of your funds at the start of the competition.
- The Trading Post will only buy a certain number of each item, but see point below.
- Watch the Notice Board for Buying Notices. The Trading Post may suddenly want more of a particular item and put up the buying price. On the other hand they may have too many of an item and lower the buying price.
- A good business starts small and with steady growth will grow large.
- Keep your team busy on different projects.
